FIRE APPARATUS MANUFACTURERS ASSOCIATION Statistics Committee

Jan 28, 2016

Dear FAMA participant:

We'd like to thank all the participants for all you do to make this survey possible. One regular participant was unable to report by the deadline this quarter so these figures reflect the compiled reports from 31 truck builders.

You will find several items in this zipped package. In the main folder you should find the following four files (in Microsoft Excel format) which are the compiled anonymized and summarized fire apparatus booked and shipped statistics for the 4th quarter of 2015.

- 4Q2015 booked-by-state.xls
- 4Q2015 booked-by-truck.xls
- 4Q2015 shipped-by-state.xls
- 4Q2015 shipped-by-truck.xls

In the "rawdata" folder, look for the following two (anonymized) raw data files for Booked (B) and Shipped (S) trucks for this quarter so that you may do any other investigations you wish.

- FAMA_Trucks_B_10-01-15_12-31-15.xls
- FAMA_Trucks_S_10-01-15_12-31-15.xls

Finally, in the graphs subfolder you should have five graphs (in PDF format) to help put the data into perspective historically.

- Book to Build.pdf
- Main Totals.pdf
- Minis-Brush-Crash-Refurb.pdf
- Rescue-Tankers-Aerials.pdf
- Sales vs Ship.pdf

Sincerely,

Mike Schoenberger
Chairman-Statistics Committee
