Dear FAMA participant:

We'd like to thank all the participants for all you do to make this survey possible. The reports are compiled from the data of 27 truck builders.

The heightened analysis capabilities of the new statistics website, eliminates the need to post some of the previously provided reports and charts. Going forward the following six general reports (in Microsoft Excel format) will be provided in the FAMA website Vault.

The following reports are the compiled anonymized and summarized fire apparatus booked and shipped statistics for the 2nd quarter of 2016.

- 2Q2016 booked-by-state-province-other
- 2Q2016 shipped-by-state-province-other
- 2Q2016 booked-by-truck
- 2Q2016 shipped-by-truck

Sincerely,

Mike Schoenberger
FAMA Board Director-at-Large / Statistics Committee Liaison
