Any distribution, sharing or other dissemination of FAMA statistical information, except for internal use by FAMA member companies, is strictly prohibited without the express written consent of the Fire Apparatus Manufacturers' Association.

Statistics Committee

April 11, 2017

Dear FAMA participant:

We'd like to thank all the participants for all you do to make this survey possible. The reports are compiled from the data of 27 truck builders.

The heightened analysis capabilities of the new statistics website, eliminates the need to post some of the previously provided reports and charts. Going forward the following four general reports (in Microsoft Excel format) will be provided in the FAMA website Vault.

The following reports are the compiled anonymized and summarized fire apparatus booked and shipped statistics for the 3rd quarter of 2016.

- 3Q2016 booked-by-state-province-other
- 3Q2016 shipped-by-state-province-other
- 3Q2016 booked-by-truck
- 3Q2016 shipped-by-truck

Sincerely,

Paul Bostrom . Statistics Committee Chair

Mike Moore . Statistics Committee Co-Chair

Mike Schoenberger -- FAMA Board Director-at-Large / Statistics Committee Liaison
