To All FAMA Members:

The results of the FEMSA/FAMA Annual State of the Fire Service Survey on Disaster Preparedness will provide valuable information direct from fire departments. The more surveys completed, the better the data, so please help communicate the survey to your industry contacts.

Please post the following web link on your social media accounts:
<https://www.fama.org/state-fire-service-srvy-disaster-preparedness/>

The 2017 survey will close on Monday, August 28th, so don't delay in encouraging your contacts to take the survey.

Thank you for your help in our final push for responses.

The graphic features a firefighter in silhouette against a background of flames. A large fire helmet with the number '26' and '2665' is prominent on the right. The text is in yellow and white, with some in red for emphasis.
