

TO: All FAMA Members

If you received an email from **sedens@foutsfire.com** with the subject line: **"Important notice from the Fire Apparatus Manufacturers' Association (FAMA),"** please do not open the email or the file. This is not a legitimate FAMA communication, it is spam.

Official FAMA member communications are sent via email using Constant Contact and include the FAMA letterhead, unless it is direct from me (Sonya Kelly), in which case it is usually sent from skelly@fama.org.

If you ever have any questions in regards to a FAMA communication being official or SPAM please do not hesitate to contact me. Thank you for your help in maintaining FAMA's ability to effectively communicate with you.

Sonya Kelly
FAMA Business Manager

Is a non-profit trade association, the members of FAMA are committed to enhancing the quality of the fire apparatus industry and emergency service community through the manufacture and sale of safe, efficient fire apparatus and equipment. With an overall goal of advancing and protecting the interests of the fire and emergency services community, FAMA members work closely with national and international organizations within the fire service. Members assist in the development of safety and performance standards, and programs for improving fire apparatus and equipment. FAMA also provides the fire and emergency services community with essential tools and information to help promote the need for newer and safer apparatus.
