

## Speaker Presentations

**TO: FEMSA and FAMA Members**

Sincere thanks again to those who participated in the annual fall conference in Glendale, Arizona last week. If you attended and have not completed the post-event survey, please do so at

<https://www.surveymonkey.com/r/5X79HDY>

As a follow up to the conference, several speaker presentation files have been posted in the secure member areas of the FEMSA and FAMA websites (username and password required to access). Additional files will be added once received. (These files are handy, but pale in comparison to the attendee-to-speaker interaction, member-to-member exchanges, and the value of networking in person.)

For those members who were not at the conference, you missed a great one. Plan now to join us in the future ...
