Now that event cancellations due to COVID have subsided, the Fire Service Events calendar has been updated to include future dates and locations.

The current Fire Service Events list is available for download from this email and from the home page of the FAMA website. The button below is also located at the bottom right corner of the FAMA home page.

If an event is not included on the list and you have the details, please email the event name, website address, dates, and location to info@fama.org. Updated event lists will be posted on the FAMA website.

I hope this document is useful for your planning purposes.

Thank you.
